

## 2018/19 Preschool Information & Enrollment Form

### Little Rangers Family Center

Little Rangers and Little Miners are early childhood learning (preschool) programs that provide children ages 3, 4, and 5, with opportunities to interact with other children in a school setting. This helps them prepare for success in Kindergarten and beyond!

### OVERVIEW:

Our classes offer experiences in all areas of development including academic, fine motor, gross motor, language, social emotional, and self-help.

Creative curriculum is used in all preschool classrooms and is aligned with Minnesota State Standards. *Handwriting Without Tears* is the curriculum used for promoting handwriting in an age appropriate format. Children's progress is monitored, and their progress is shared with parents throughout the year and at parent-teacher conferences.

### SOCIAL-EMOTIONAL LEARNING:

All preschool classes at CRES Family Center emphasize the importance of social emotional learning. Social emotional learning includes having a positive self-identity, recognizing, labeling and controlling feelings, demonstrating empathy, participation in a classroom community, building relationships, engaging in cooperative play, developing a sense of right and wrong, and resolving conflicts. Instruction will also include basic school readiness skills: colors, shapes, numerals, counting, letters and their sounds, large muscle development, and small muscle tasks, such as, cutting, lacing and writing as is developmentally appropriate for each child.

### WHAT IS INCLUDED:

All classes include large and small group experiences, stories, art, free choice centers, music, and snack. Lunch is served in our all-day classes, and breakfast is served in some classes as well.

### TUITION:

Tuition for all classes is based on an income sliding fee scale. We require that all families submit income verification paper work. The only exception to this would be those families who opt for the top tuition fee and pay it up front at the beginning of the school year. Please refer to the Tuition Agreement for more information regarding specific fees and payment options.

## TO REGISTER:

- 1) Fill out your enrollment preferences below.
- 2) Once this form has been received and your child is placed in a class, we'll ask you to fill out a tuition agreement.

Below is a list of all the preschool program options available for the 2018-2019 school year. Please read them over carefully and rank the choices for your child (1 being your most preferred option). Upon completion of the enrollment process your child will be placed in the class that reflects as close as possible your top choice.

Classes may fill quickly. **The best chance of getting your top choice is to turn in your paper work as soon as possible.** Children are placed based on the date and time all paper work is received. ISD #182 does reserve the right to make changes to any preschool section.
