Geometry	1.5"-2" 3 ring binder, notebook or loose leaf paper, PENCILS, TI-83 or TI-84 graphing calculator. These models are approved for the ACT and the MCA math tests. There are a limited number of graphing calculators available through Stacey Berent for families with financial need. Need will be prioritized. They will be checked out for the year.
ACC Geometry (advanced math group)	1.5"-2" 3 ring binder, notebook or loose leaf paper, PENCILS. TI-83 or TI-84 graphing calculator. These models are approved for the ACT and the MCA math tests. There are a limited number of graphing calculators available through Stacey Berent for families with financial need. Need will be prioritized. They will be checked out for the year. *Students taking advanced math at the HS/college level typically have their own graphing calculator. It may be wise to invest in this technology early so that your student can learn the features and get the most use of it. Some calculators are available for use in class only. Calculator apps are also available for the Chromebook and many brands of "smart phones". Please keep in mind that chromebooks and smart phones are not allowed to be used in testing situations.
Civics	Folder, notebook, pens or pencils. NO RED INK.
Physical Science 9	2" 3 ring binder, loose leaf paper, notebook, basic calculator, headphones/ear buds for Chromebook use.
